Our **Refrigerant Banking Program** helps companies guarantee their future refrigerant needs. Now is the time to manage your existing inventory. You will have access to your refrigerant where and when you need it without paying tomorrow's price. National's Refrigerant Banking Program is available at any of our 375+ distributors in the USA.

## **ABOUT US**

At National Refrigerants Inc., our mission is to lead the refrigerant industry with over four decades of unwavering commitment and expertise.

We are dedicated to providing sustainable and innovative refrigerant solutions that empower our customers to thrive in a rapidly evolving world. We are more than a company; We are a partner in your success.

**Refrigerant Banking saves you time, money, and space while securing your future refrigerant access.**

### **You Deposit**

Once your account is established simply visit any one of our 300+ US distributors to deposit your recovered refrigerant.

*It's that simple.*

### **We Purify and Store**

NRI's world-class Analytical Laboratory is EPA certified and will ensure that refrigerant returned to you meets or exceeds AHRI 700 Specifications.

### **You Withdraw When Ready**

When you are ready, whether it be 2 months from deposit or 2 years from deposit, simply go to anyone of our authorized distributors and withdraw your refrigerant.
